SUMMARY

Full stack web developer with 5+ years of background in Accounting and on-going dedication to learning. Recognized as adaptable, organized and passionate. Excellent communicator with effective collaborative and problem-solving skills.

TECHNICAL SKILLS

HTML5, CSS3, ES6, JavaScript, jQuery, Bootstrap, Bumla, Responsive Web Design, React, AJAX, MySQL, Sequelize, NoSQL, MongoDB, Mongoose, Node, Express, Handlebars, Git, GitHub, Heroku, npm, REST APIs, Postman

RECENT PROJECTS

LibMaker 3000: <https://makeyourmadlib.herokuapp.com/>

- Led a group of 5 to build a mad libs generator that takes user input and plugs it into a predefined story template.
- Used Sequelize to store the story templates and save the completed stories to be later viewed in the archives.
- Incorporated Express to API routers and Handlebars to render html pages.

Todo List: <https://iammei.com/react-todo-list/>

- Built a todo list with React hooks that lets users add, update or delete their todos.
- Implemented localStorage to save user inputs for managing the todos.

Weather Dashboard: <https://iammei.com/weather-dashboard/>

- Designed a weather web application that provides current and future weather forecasts in cities.
- Created jQuery functions to pull data by using API calls to retrieve weather information.
- Built HTML layout using HTML5, CSS and Bootstrap.

EXPERIENCE

Payroll Tax Accountant

2018 - 2020, Honolulu, HI

ProService Hawaii

Ensured accurate and on-time tax filings and payments while resolving complex payroll tax related issues.

- Assisted development team for new accounting system migration, mitigating risks and increasing efficiency
